

MIKE PROHASKA & THE CLEAN SLATE

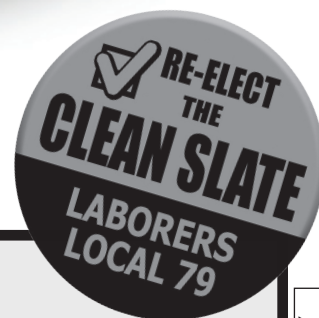

Nearly a decade of record breaking hours

The Clean Slate works hard every single day to make sure that members have access to jobs which allow us to feed our families. This has always been and will always be our top priority. Apart from 2020 when the pandemic threw our City into turmoil, hours have steadily increased for the last decade. Our members are the best trained and hardest working in the industry. And our job has always been to make sure that the entire construction industry respects us and recognizes our power.

LOCAL 79 HOURS COMPARISON BY YEAR

We are proud to be the largest LiUNA construction Local and will continue to achieve record hours worked in our next term.
